TURKISH TREASURES

Cappadocia to Cleopatra's Turquoise Coast November 1 – 14, 2012

Join Sharie on her 17th annual custom small group tour. Discover Turkey, where Europe meets Asia, where past meets present. A coastline of 5200 miles boasts sandy beaches, secret coves and turquoise fjords. Over 10,000 years Hittites, Lycians, Persians, Greeks, Romans, Arabs & Ottomans have left a rich cultural blend in modern, secular western Turkey. Almost all is included: flights, transfers, first class hotels, daily breakfasts & dinners, and guided sightseeing...plus the best travelmates as friends!

Nov 1 – Fly scheduled air from SFO to Turkey with meals aloft.

Nov 2 – Arrive Kayseri, savor a *Welcome Dinner* & **stay 3 nights in Cappadocia** in quaint cave-like Hotel MDC Alfina or similar.

Nov 3 – Marvel at surreal lunar landscapes from **Uchisar's** high citadel. View volcanic karst eroded into fairy chimneys and mushroom caps amid lush valleys of Derwent, Pasabag & Zelve. Explore UNESCO-acclaimed **Goreme Open Air Museum**. Shall we wine sip in **Nevsehir** or carpetweave in **Urgup**...or do both?

Nov 4 – Go underground! Secret cities, where early Christians hid from hostile Romans, include **Derinkuyu**. They carved tufa stone to create 8 story towns, troglodyte homes, tandoor kitchens & rupestrine chapels decorated with biblical frescoes. Learn about Anatolian horses & Hittite-inspired pottery making in **Avanos**.

Nov 5 – Follow the ancient **Silk Road** to **Sultanhanı Caravanserai**, a restored haven of rest of 1229. Visit **Konya's Mevlana Center**, home of the Whirling Dervishes whose teacher's tomb is here.

Relax on the gorgeous Turquoise Coast for **3 nights in Antalya** in a quaint Ottoman palace at Hotel Dogan Mediterra or similar.

Nov 6 – **Aspendos** is the coast's gem: admire the finest intact Roman theater on earth...built by local Italian architect Zenos. Marvel at a pressure conduit aqueduct & the odd **Euromedon Bridge**. **Side** is an open air museum by the sea: wander the agora, Vespasian Gate plus temples to Apollo & Athena. It was a big city: its theater seats 25,000 & its public loo seats 24! Hittites founded **Perge** in 1300BC: its Roman baths & agora still awe us today.

Nov 7 – Today's eye-opener is picturesque **Duden Falls**, which plunge 70 feet into a karst gorge! In **Antalya**, examine one of Turkey's premier museums: admire ancient sterling, statuary & artifacts from Lycian rock tombs. **Kaleici Old Town** beckons with its Hadrian Gate, Crusader walls, medieval Clock Tower, Karatay Medrese School & Yivli Fluted Minaret. Stroll the harbor or shop.

Nov 8 – Most take the high-fast road, but we drive the low-slow one to hug the crystal **Turquoise Coast**...just like Cleopatra! Pass Phaselis beaches & Chimera firepots to **Myra**, home to the most evocative Byzantine chapel: St. Nicholas or Baba Noel was born here in 300AD. Above **Kas** & **Kalkan** are Lycian-cut cliffs boasting the Lion Tombs. The best beaches awe us at **Oludeniz** & **Patara**.

Xanthos, rebuilt by Marc Antony after Alexander's siege, hosts the Hieroglyphic Pillar which deciphered the Lycian dialect. Stay **2 nights on Fethiye-Gocek Bay** at Hotel Atapark Efe or similar.

Nov 9 – In traditional wooden gulet boats sail **Dalyan River** and **Iztuzu Beach** where loggerhead turtles nest below awesome Carian-Lycian cliff tombs at **Kaunos**. Enjoy free time to shop or admire **Telmessus** artifacts in the snug harbor town of **Fethiye**.

Nov 10 – Old Ottoman homes and a 16th c. castle housing a small

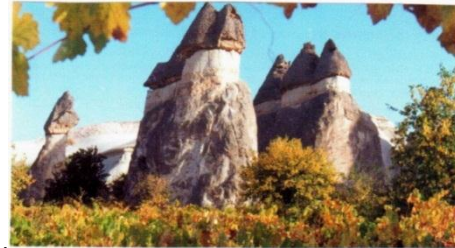

Folkloric Museum mark **Marmaris**. Nearby is **Datca**, dividing the Med & Aegean Seas plus **Kedrener-Gokova**, where honeymooners Cleopatra & MarcAntony frolicked on the beach. Explore **Bodrum** harbor, dominated by 15th c. St. Peter Castle, housing a fabulous **Underwater Museum** of shipwreck spoils: amphora, Bronze Age relics, gold jewelry & more. Formerly **Halicarnassus**, Bodrum is birthplace of *Father of History* Herodotus & claims one of only 2 surviving **Seven Ancient Wonders**: a huge Mausoleum of Carian ruler Mausolus. Enjoy free time for lunch, hamam baths or shopping. Via **Bitez Beach** or **Priene's temple**, arrive in seaside **Kusadasi to stay 4 nights** at Hotel Tatlisles Marina or similar.

Nov 11 – **Aphrodisias**, dedicated to love goddess Aphrodite, was famous in Asia Minor for its philosophy school, marble quarry & refined sculpture; marvel at its twin Tetracylon Gates. **Hierapolis** reveals travertine necropolis & ancient wellness center adjacent to **Pamukkale's** thermal springs cascading over white limestone terraces or **Cotton Castle**. Meander along the Menderes River!

Nov 12 – Although Berlin holds hostage its friezes, one must visit **Pergamon**. Its panoramic **Acropolis** towers 1000 feet & contains the Altar of Zeus and a library that rivaled Alexandria's. When jealous Egyptians cut off papyrus trade, the wise Greeks invented parchment here! Its **Asklepion** was the largest & best health spa, medical clinic & psych hospital in the whole Greco-Roman world. Enjoy city highlights of **Izmir**, old Smyrna, where Saints Paul and Peter visited one of the seven original churches of Asia Minor.

Nov 13 – Best for last: along the marble streets of **Ephesus**, admire Artemis art, Terrace Houses & Celsius Library. Examine priceless mosaics, frescoes & statues in **Selcuk** & pause at **Virgin Mary's House**. Celebrate Turkish delights at our *Farewell Dinner!*

Nov 14 – Fly to SFO or stay on your own to see Istanbul, Troy, or wherever you prefer; returning to SFO on Nov.18 from Istanbul.

Cappadocia vineyards & fairy chimneys in autumn splendor
