

Founded in 1984, NBICF brings people of all ancestries together to share all things Italian.

**Messaggio del Presidente - George Golfieri**

Cari Amici,

I hope all of you, your family and friends are in good health.

The Foundation owes much gratitude to **Board member Ron Grassi** for his efforts to obtain property tax welfare exemption. Through Ron’s efforts, the Foundation will receive property tax exemptions from the State of California and from the Sonoma County Tax Assessor. The Foundation received this exemption because the organization qualifies as a non-profit charitable entity. As a result, the Foundation received a **property tax refund in the amount of \$16,149, for the tax years 2019 to 2022**. This refund and future qualifying property tax exemptions will be a boost to the financial health of the foundation.

**MILLE GRAZIE, RON.**

After a two-year absence, the Foundation offered its “Italian Language Camp for Youth”, during June. The historical themes were *Amerigo Vespucci* the first week and *Napoleon Bonaparte* the second week. This summer, 16 children enrolled in the camp. I enjoyed assisting instructor **Dr. Joli Love** with the many language activities and skits that were put on by the campers.

Each week ended with the children performing skits in Italian for their parents to show what they learned and to demonstrate their new language skills. I would like to thank following members who assisted: **Virginia Smith, Maria Ayala, Barbara Fabrizio, Mary Kay Pederson, and Diane Tosso.**

I would like to thank members who attended NBICF’s 8<sup>th</sup> annual “Pizza, Birra, & Vino”. It was nice to get together and catch up with friends. There is nothing more Italian than enjoying pizza as one big family. I would like to thank the following people who made this party a success: **Don Raimondi** chair, **Linda Apel, Virginia Wilburn, Carole Stewart, Ginny Smith, Reid Sheridan, Al Pucci, Les Villanyi, Maria Ayala, and Roxanne Olivia** for her wonderful accordion music.

A new name will grace **Cotati’s Post Office**. The post office will honor **Arturo Ibleto** (Pasta King) for his years of philanthropic work in Sonoma County. Arturo was a founding member of the Foundation.

By proclamation in 1989 by the President and Congress, October was designated Italian-American Heritage month. This proclamation was established to honor the achievements of Italian immigrants and their descendants and their contributions in arts, science, and culture.

Did you know that Columbus Day is one of America’s oldest holidays first celebrated in the 18<sup>th</sup> Century? It was celebrated in 1792 when the New York Society of Tammany honored Columbus on the 300<sup>th</sup> anniversary of his first voyage. According to the Order Sons and Daughters of Italy in America, America has more monuments to Columbus than any other nation in the world. Hopefully, they will stop removing them!

Christopher Columbus

**Born:** 1451, Genoa, Italy

**Died:** May 20, 1506, Valladolid, Spain

*Three countries refused to back Columbus's voyage.*

For nearly a decade, Columbus lobbied European monarchies to bankroll his quest to discover a western sea route to Asia. In Portugal, England, and France, the response was the same: no. The experts told Columbus his calculations were wrong and that the voyage would take much longer than he thought. Royal advisors in Spain raised similar concerns to King Ferdinand and Queen Isabella. Turns out the naysayers were right. Columbus dramatically underestimated the earth's circumference and the size of the oceans. Luckily for him, he ran into the uncharted Americas.

*A lunar eclipse may have saved Columbus.*

In February 1504, a desperate Columbus was stranded in Jamaica, abandoned by half his crew and denied food by the islanders. The heavens that he relied on for navigation, however, would guide him safely once again. Knowing from his almanac that a lunar eclipse was coming on February 29, 1504, Columbus warned the islanders that his god was upset with their refusal of food and that the moon would "rise inflamed with wrath" as an expression of divine displeasure. On the appointed night, the eclipse darkened the moon and turned it red, and the terrified islanders offered provisions and beseeched Columbus to ask his god for mercy.

## Messaggio del Presidente - George Golfieri , continued from page 1

As stated in my letter, that was sent out in July, the Foundation could be in jeopardy if members do not get involved. The Board appreciates the support that we have received, but we are in need of members to serve on the Board and/or serve on committees, and to volunteer at events.

Board members are crucial for running the affairs of the Foundation. There are currently 13 board members, but there is the potential that four board members will not run for another term. **Nominations for new board members begins in September.** If you are interested in serving on the Board of Directors or would like to nominate a member, please contact me or any board member. A Director must be a member in good standing for a minimum of one (1) year to be qualified to serve on the Board.

Due to lack of members not participating on the dinner planning committee (**Mangiamo Committee**), the October dinner has been canceled. Until committee positions are filled, the Board cannot proceed with dinners.

**The Mangiamo Committee is in need of members' help.** Volunteers are needed to help support the events that we all want and enjoy attending. Most cases, a few hours of your time are all that is needed.

Volunteering for the dinners doesn't mean you have to cook, unless you'd like to! Helping at the dinner events includes, setting the tables, serving, and checking people in. Helping with clean-up is also greatly appreciated.

Please call the NBICF office at (707) 591-9696 and leave a message letting us know that YOU want to serve on a committee or volunteer at an event.

There are about 400 licensed gondoliers in Venice. In 2010, Giorgia Boscolo became the first fully licensed female gondolier, after a strict tradition of 900 years! Two other women enrolled in the course, but they did not pass the exam.
